(The Cabal>Deep State along with Communist China have infiltrated our country and intelligence agencies like the CIA and Israeli Mossad. Using Israeli NSO Pegasus to spy on everyone as well as DARPA controlled spying/listening phone apps like Facebook, Google and Twitter to collect metadata on world leaders, politicians, intel officials like CIA/Mossad, Hollywood elite, social media heads, mainstream media as well as other community leaders. With blackmail, mind control and/or likeminded satanic beliefs they have managed to control the world by placing their assets in key positions, insuring their power with force against any and all opposition.

CIA/MOSSAD agents Jeffrey Epstein and Ghislaine Maxwell and Madam's like Ray Chandler in order to blackmail to secure power around the world for the Cabal> Deep State with evidence, filmed or otherwise of powerful individuals doing unconscionable things to children or other sexual blackmail. Even Royal Family members like Prince Andrew have been caught up in Epstein's pedo island as he has been accused of sexually assaulting a minor there.

Q3140 - Epstein island dungeon (beneath the temple). Sex & torture rooms. Openly flaunt across social media? Untouchable? Q

Controlled Cabal> Deep State assets like Former NSA H. R. McMaster, Former Director of National Intelligence Dan Coats, Director of the FBI Christopher Wray and Former US Ambassador to the UN John Bolton were also put in place in President Trump's administration to block any successes and to undermine national security as well as cripple and prevent General Flynn from exposing the illegal acts of the Obama administration including their participation in human trafficking. They used Star Wars Video Game chat logs to communicate between the Cabal and Deep State plants. NSA McMaster and Ambassador Bolton were installed to remove President Trumps loyalists in the intel community. DNI Dan Coats was installed to help prevent declass and create a House-Senate blockade. These pre-installed plants, McMaster, Coats, Wray and Bolton were referred to President Trump, Vice President Pence, White House Press Secretary Sean Spicer and White House Chief of Staff Reince Priebus.

Q2468 - The 'Scaramucci' Play Temp hire to remove embedded 'untrustworthy' staffers? >Spicer >Priebus...

Q3537 - ...Wray is a sleeper Future marker. Q

The intelligence community and national security are essential for the Cabal> Deep State to control to prevent declass and public exposure to the truth. They used illegal surveillance with a threat of nuclear missile attacks to President Trump and then candidate Senator Ted Cruz, House-Senate members, Journalists and Ambassadors to keep classified material about their human trafficking ship schemes

The Obama administration planned the fake Russia collusion hoax which failed even with the CIA/Mossad Media pushing it every day, and which the Clinton Foundation paid for. No collusion was ever found. President Obama's Former FBI Director James Comey was used to keep the Russian Collusion hoax going and hinder any truth being discovered about the Obama administration's FISA abuse, spying or email

scandals and he was ultimately fired for. Former Special Counsel Robert Mueller along with a controlled CIA/Mossad media was used to uncover any Russian Collusion and ultimately try and impeach President Trump, which also failed. There was no collusion with Russians, even if their interests aligned at times. They invented a Russian threat for a disinformation campaign. Misusing FISC/FISA; the FBI, DOJ, Congress, the Senate, CIA, NSA and UK MI5/6/SIS and millions of taxpayer dollars were used to address an imaginary threat, the FBI and CIA used Vault 7 tools for planting evidence, which justified creating a special council for the direct purposes of impeachment under the pretense of protecting the public and our elections, just to they could regain their power and prevent the truth coming out and their subsequent prosecution. Chairman of the House Intel Committee Adam Schiff opened fake and false investigations for this reason and deliberately leaked classified information to the press.

The Cabal leader, Queen Elizabeth II in the UK was using this spying system, she called all the shots through Obama's administration. The exchange of classified information flowed freely with or without the use of FVEY. On the 2016 election night 7 people, Barack Obama, Hillary Clinton, James Comey, Susan Rice, John Podesta, Chuck Schumer and Adam Schiff flew to London to have a private secret society meeting with Angela Merkel, Jacob Wallenberg and Queen Elizabeth II. The meeting was to discuss how to remove Donald Trump from the US Presidency using their missiles and armada of ships.

John Mueller of Google refers to the ships. The Barack Obama and Hillary Clintons Uranium¹ deal with countries like Russia, Iran and North Korea helped to create an armada of ships that have shipping container missile systems (Club k's) that contain nuclear warhead missiles paid for by US Taxpayers under the guise of the Red Cross, foreign aid and Paris Accord climate funding. They are used to cripple or remove any opponents to their plans effectively creating a blockade using video game chat logs and cell phones to communicate their plans and arm and operate these weapons. Plans that including the treasonous '16 Year Plan to Destroy America' and to prevent any exposure of their worldwide trafficking scheme which includes human/sex trafficking with men, women, children and infants as well as guns and drugs. This missile system is also used to prevent any delcas or disclosure from being exposed, anything from UFO's to Durham reports. The 16 Year Plan To Destroy America

This scheme also includes the harvesting and worldwide supply of adrenochrome from children with the assistance of Shell Oil pipelines. This ships collect the

substance (F assets/intel) from the pipelines and deliver to individuals is based on a class system in which ranking determines use of these assets which are used as feed. Poverty stricken locations are set up as exchange shelters such as Haiti using humanitarian aid organizations like the Red Cross and political organizations like the Clinton Foundation to traffick victims through adoption or other means and the money is funneled back through to the ships and trafficking schemes. The Obama Administration was able to bypass finance paper trails by dumping lots of cash before leaving office. A few other ports of call include New York and Los Angeles Ports, Rotterdam, Antwerp, Port of London, Red Castle or Gibraltar, Las Palmas Canary Islands, Kenya Mombasa, Brest Port, Sine Port, Saigon, Jeddah and Port Harcourt in Nigeria which hosts the F39 Shell Oil pipeline that pumps Adrenochrome from shore to ship, there are even more ports and exchanges worldwide.

Q2658/Q4556/Q3486/Q1559/Q10 How about a nice game of chess?

Some F Assets are kept as controlled pawns and used for key positions for the Cabal. The inner circle. Some are sent to the CIA Farm at Langley Virginia to become intel agents. Agents are placed in positions of need like the mainstream media, congress, political leaders, Hollywood celebrities as well as other various vocations. These assets are told what to do and say to support the narrative of the Cabal>Deep State.

In 1996 the Telecommunications Act led the FCC to reduce regulations on cross ownership. Since then, 5 Corporations own 90% of the media, including films, newspapers, magazines and books. AT&T, Xfinity, Disney, News Corp and National Amusements. All of these except for National Amusements is owned by BlackRock and Vanguard by majority shares. Vanguard shareholders include elite like the Orsini's, the Bush's, the DuPont's, the Morgan's, the Vanderbilt's, the Rockefeller's, the Rothschild's, the Wallenberg's and the British Royal Family. And Vanguard is the largest shareholder of BlackRock.

Control of the media means control of the population. Using propaganda to create and shape the narratives they want you to see which at the moment is far left. This bias weakens the conservative base with constant attacks and lies from this left-wing media.

The Cabal> Deep State was protected by rogue nuclear states.

Saudi Arabia

The House of Saudi including Prince Alwaleed bin Talal. House of Saud, whose family originated in Jewish roots, was involved in major sex trafficking and connections through Big Tech. They are a major faction of the Cabal. Their corrupt connections were cut in 2017 when Prince Muhammad Bin Salman took over the throne and with the help of President Trump and his administration. Some Saudi royal members like Alwaleed were heavily involved. Dr. Khalid al-Mansour and Alwaleed were responsible for Barack Obama's Harvard education through "HUMA", Harvard University Muslim Alliance and his connections put him and Obama's Former Senior Advisor Valerie Jarrett in the White House. Hillary Clinton's Former Deputy Chief of Staff Huma Abedin has Muslim Brotherhood and Al Qaeda ties. She grew up in Saudi Arabia and went to two Wahhabist colleges which are known for terrorism. Her parents and family members are connected to the Muslim Brotherhood. She also was a liaison between Clinton Foundation donors and "pay for play" schemes.

House of Saud was also involved in creating ISIS with John McCain, Barack Obama, Hillary Clinton, Britain UK and Qatar.

Q83 - Simplified. Alice & Wonderland. Hillary & Saudi Arabia. References: Hillary Clinton in Wonderland by Lewis Carroll. Saudi Arabia - the Bloody Wonderland. Q

Hillary Clinton's State Department was protecting Saudi Arabia and its Princes. The Saudi Royals have been linked to parties or orgies that include alcohol, drugs and sex with prostitutes. There were past links to drug trafficking and prostitution rings and modeling agencies like Elite Model Management with underage girls as young as 13. They procured child sex slaves from Africa and Asia and other parts of the world, and these boys and girls are sold and resold until used up. Saudi Royals were reported placing special orders for children that were then snatched and delivered. Some of their sex rings were located in Beverly Hills, CA. Former Miss USA Shannon Marketic was drugged and imprisoned after a trip to Saudi Arabia and tried to sue but the US State Department granted immunity. The State Department also granted this immunity for parents trying civil actions for their abducted children.

North Korea/Uranium 1

2008 – 2012: Hillary Clinton fails to reveal to Hillary's State Department, a foreign donation of two million shares of stock from a foreign executive

August 2009 – The FBI has in investigation going on a Russian bribery plot concerning Rosatom and Uranium One, kickbacks and money laundering were also involved. The DOJ held off on indictment until after the CFIUS deal was made, making it less know to the public.

May 14, 2010 – Bill Clinton gives speech in Moscow and receives \$500,000 and then tries to meet with Russian nuclear official during uranium decision, after getting permission from the State Department i.e., Hillary Clinton, but through missed communications he only met with President Putin instead in June.

October 22, 2010 – Uranium One deal approved. The Obama administration and Committee on Foreign Investment in the United States CFIUS went through with the deal even though the FBI had collected evidence that corruption was rampant in the Russian nuclear industry. Using a confidential witness to spy and gather most of the information. Moscow compromised and American trucking firm with kickbacks and bribes. It was essentially kept quiet until the deal could be completed. President Obama's deal approved the sale to Rosatom giving Moscow more that 20% control of the United States uranium supply.

June 2010 – 2013: Clinton Foundation receives secret donations during 3 years of Uranium One deal using the Uranium Ones chairman family foundation totaling \$2.35 million. These donations were undisclosed by Secretary Clinton.

2016-The US State Departments sends pallets of cash to Iran totaling \$400 million in exchange for hostages. Claiming Iran couldn't accept checks or wires and yet 2 days later the US Treasury wired 13 additional payments totaling \$1,299,999,999

POTUS > PEACE on the Korean P > NO further missile tests or U enrichment.

2018- President Trump removed Jacob Wallenberg's control in North Korea NK, no more nuclear capabilities or trafficking enrichment via President Obama, Clinton Foundation and Russian Intelligence/Military Industrial Complex 2010 Uranium One deal. Iran, Russia and North Korea get 20% of US Uranium in connection with Gultainer, Crescent Petroleum and Rosetec/Rosoboronexport, which they also used to produce Club K missile systems. Also connected through Project Pelican and Gultainer's Port Canaveral completed in 2018 which allows them a 35-year cargo container terminal lease. This allowed them to have their armada of ships with shipping container missiles systems based in the US as their "military" presence.

Q29 NK is not being run by Kim, he's an actor in the play. Q41 What a coincidence the mountain that housed NK's nuclear weapons and testing collapsed. Unbelievable timing. I wonder if critically important materials as well as scientists aka the bomb makers were inside when it happened. Shocking no global news agency suspects we had nothing to do with it. Q1609 POTUS save the world from NK.

Red Cross, Foreign Aid and funding through the Paris Accords supported their human/weapons/drug trafficking schemes. According to foreignassistance.gov; Bill and Melinda Gates Care and supported Save The Children have funds coming from the U.S. Department of State; Bureau of Population, Refugees, and Migration. Jeff Bezos Amazon, Red Cross and China's World Health Organization have funds coming from the U.S. Agency for International Development; Bureau for Democracy, Conflict, and Humanitarian Assistance. These are just a few of the organizations that US Taxpayers fund through Foreign Aid programs. It also goes to unknown or unverified vendors to Pakistan, Afghanistan, Africa, Haiti, Israel, North Korea, Kazakhstan,

Kyrgyzstan, Tajikistan, Vietnam, India and China, the bulk of which comes through the U.S. Agency for International Development; Bureau for Democracy, Conflict, and Humanitarian Assistance. The Paris Accords is just one more way to get taxpayer money through their GCF fund, which funnels money to places like North Korea, even they claim US humanitarian aid is sinister scheme. The Red Cross's Gail McGovern's has a history of corruption with Hillary Clinton, The Red Cross also has a history of connections to the Rothschilds and Wallenbergs. These slush funds help to pay for their Deep State Shadow Government.

State Secrets Privilege, States v. Reynolds decision in the Supreme Court, is how the Deep State hides from other branches of the government, including Presidents.

Crossfire Hurricane:

Under direction of Queen Elizabeth and Jacob Wallenberg, the Obama administration conspired to spy against President Trump using UK MI5/6/SIS, Five Eyes, Israeli NSO Pegasus Surveillance and FISC to obtain permission. They were also spying on Senator Cruz's presidential campaign.

They lied on the applications. Germany helped build the Steele Dossier. The Dossier was paid for by former Secretary of State Hillary Clinton, who held the threat of container ship nuclear missiles against people get it done. It was another set up to take down President Trump. They could not lose control or allow their treason or satanic pedo acts come out. They wanted to rig the election. Senator John McCain and Senator Lindsey Graham pushed it because they are part of the Deep State and every media outlet who reported the false information was sharing a hoax. Buzzfeed News, along with the Soros funded International Consortium of Investigative Journalists (ICIJ). MSM heads conspired with Dems to help push Fake Russia narrative.

Fusion GPS had Perkins Coie Michael Sussman, paid by Hillary Clinton, and a secret DNC committee with Chair Debbie Wasserman Schultz, CEO Amy Dacey and Mr Brown push the Russian narrative that President Trump was communicating with a Russian Alfa Bank server in March of 2016. Mr. Sussman's Sept 16, 2021 indictment reveals in section 7. "The FBI's investigation of these allegations nevertheless concluded that there was insufficient evidence to support the allegations of a secret communications channel with Russian Bank-1. In particular, and among other things, the FBI's investigation revealed that the email server at issue was not owned or operated by the Trump Organization but, rather, had been administered by a mass marketing email company that sent advertisements for Trump hotels and hundreds of

other clients.” They knew the information was false before they pushed it out to the media yet did it anyway.

In 2016, Barrack Obama and FBI Director James Comey told Deputy Director Andrew McCabe and Deputy Attorney General Rod Rosenstein to approve the fraudulent FISA applications for Trump’s aid Carter Page, this allowed Obama to spy on Trump. Obama then pushed the Steele Dossier, supported by the FBI and Director of Counterintelligence Bill Preistap, and that Hillary Clinton paid for claiming Russian Election interference. Director of National Intelligence James Clapper tried to get the Supreme Court to invalidate Trump’s presidency while Fusion GPS agent Natalia Veselnitskaya set up Trump’s Campaign Manager Paul Manafort for the Trump Tower events regarding Donald Trump Jr and Jared Kushner and then FBI Deputy Asst. Manafort was a deep state plant, he was deeply in debt to Russian oligarch Oleg Deripaska, so they gave him a way out by setting up President Trump.

Former FBI Special Agent Peter Strzok & Deputy/Acting Attorney General Sally Yates went after Trump’s National Security Advisor General Flynn. Obama used UK MI5/6/SIS, Five Eyes, Israeli NSO Pegasus Surveillance and FISC to obtain permission. Also assisting were German PM Angela Merkel, UK PM May and CIA Director Gina Haspel, who was the prior CIA UK Station Chief. Obama also used Senators Warner, Cardin and Corker as well as the State Department.

Under FISA UK assist, the surveillance allowed for a ‘2 hop’ rule. Since Carter Page was the target in the original application for Russian spying, the FBI was then able to spy on anyone Page was in contact with and anyone the next person was in contact with. This included President Trump, NSA Director General Flynn, Trump’s campaign manager Paul Manafort, Trump’s campaign advisor George Papadopoulos, and Senator Ted Cruz. The original application was dated April 1, 2016, 11 days before Carter Page joined the Trump campaign on March 21, 2016, and 10 days after the Buryakov press release identified Page as the Russian agent on March 11, 2016. The FBI used this same application plus 3 renewal applications as their basis for the Dossier and then ultimately the Special Counsel Robert Mueller investigation. This throws off the timeline and shows that Obama’s intel team was spying on President Trump and Senator Cruz long before Carter Page was involved and likely earlier during the presidential campaign.

Q1150 - Think timing. LL (Loreta Lynch) remains AG (Attorney General for) HRC (Hillary Clinton). HRC appoints new AS (Justice Anthony Scalia) replacement

(Justice Sonia Sotomayor). RBG (Justice Ginsberg) steps down. LL (Loretta Lynch) steps up. New AG (Attorney General) 'The Plan'. Q

Q2088 - ...They always thought if charges were brought [v. them] they would ultimately be safe [SC control] (Supreme Court). [AS] (Justice Anthony Scalia) out [HRC] (Hillary Clinton) appointment(s) >> End of all ends. Final. Did Anthony Kennedy have a choice? Was this the original plan according to HRC election win? What evidence was he shown? RBG replacement [lifetime appointment - age]?...

CIA Director John Brennan and Peter Strzok used an Intelligence Community Assessment ICA with the Dossier added to it while Strzok's wife Melissa Hodgman was hiding Hillary's email evidence. Hiding Hillary's evidence was also the reason of former President Bill Clinton and Attorney General Loretta Lynch's Tarmac meeting in June of 2016. As an exchange, Lynch was promised a Supreme Court appointment once Justice Ginsberg stepped down. They always thought they would be safe having their nuclear missile ship armada to protect them, they murdered Anthony Scalia in Feb 2016 to maintain control of the Supreme Court and Bill Clinton promised AG Loretta Lynch on the Tarmac in June of 2016 a position on the Supreme Court. In return Lynch was supposed to look the other way at any of Hillary's email/server evidence which she did. Hillary then appoints Justice Sonia Sotomayor to replace Scalia and advises Lynch the plan is for her to replace Justice Ruth Bader Ginsberg. Justice Anthony Kennedy was shown evidence of this and was forced to step down under threat of missiles/death.) RBG is also a multiple meaning of the Royal Family/The Queen, so she oversaw 'The Plan'.

National Security Advisor Susan Rice unmasked Flynn's meeting with Russian Ambassador Sergei Kislyak, with help from the Washington Post reporter Adam Entous, who leaked it from a source that saw it in a Palpatine's Revenge game chat log discussion. As early as November 2016, unmasking requests to the NSA were made by 16 people including US Ambassador to the UN Samantha Power, DNI James Clapper and then Vice President Joe Biden made a few of the requests. This was before the actual Flynn/Kislyak phone call on Dec 29, 2017, proving a set up occurred beforehand. Approved by Rice in 2017 under Obama's guidance and Russian interference Executive Order, in a purely political move.

During this timeframe, Strzok's FBI interview with Flynn on January 24, 2017, forcing Flynn to later plead guilty and be fired about lying to Vice President Pence. Strzok also withheld exculpatory evidence of handwritten notes taken by him, DOJ official Tashina Gauhar and FBI Lawyer Dana Boente, during and after the meeting with

Flynn that found that he had not engaged in any wrongdoing. The FBI kept the case open regardless to pursue Joe Biden's suggested idea to prosecute him under the Logan Act which didn't apply either.

Trump's campaign advisor George Papadopoulos and Australian Ambassador Downer were spied on by Strzok in London and this was used to set up the Robert Mueller investigation and the 2019 impeachment of Trump.

Strzok and FBI General Counsel Lisa Page's texts revealed Obama's involvement and plan to take down Trump and hide Hillary's crimes, including crimes against children. Brennan's CIA spied on FISA court head Chief Justice Roberts who was likely blackmailed into all FISA investigations including Flynn's, who was ultimately pardoned by the President. The Illuminati Cabal and Hillary held CIA spying info and the threat of nuclear missiles from her armada of ships, against people get it done.

On November 22, 2017, Attorney General Jeff Sessions appointed US Attorney for Utah John Huber directing him to investigate Hillary Clinton and claims of FBI and DOJ misconduct, which didn't amount to much so in May 2019 Attorney General Barr assigned a special counsel to John Durham who is known for successfully prosecuting mobsters like the Gambino, Genovese and Patriarca. He also was tasked to go after Boston corruption and in 2005 he investigated the CIA for destruction of videotapes regarding 9/11 interrogation something that former CIA Director Gina Haspel also did at the CIA black site in Thailand. He is in charge of investigating the Deep State corruption that occurred during FISA as well as other crimes. But it's been delayed because of the container ship nuclear missiles threat to the world.

Most of the information discovered here was received from the Inspector General Michael Horowitz report on FISA released on December 9, 2019, but the IG concluded that the DOJ and FBI largely complied with policies. Both Barr and Durham publicly commented that they disagree with the conclusion of the report. A likely conclusion if the threat of container ship nuclear missiles were known.

###

The ship missile system has been used in assassination attempts against President Trump throughout his administration and continues through today as recently

tracked by my Telegram page. He is 100% safe aboard Air Force One and consistently evades these attempts with the assistance of US Space Force.

So far the ship missile attacks above against President Trump have failed, so the Cabal is moving on to their last resort plan using nuclear warhead missiles and cyber-attacks to create a Solar Coronal Mass Ejection CME in which two Cabal container ships are equipped for completing. An X1 class CME was released by the sun on October 28, 2021 and it arrived on Saturday October 30 and on through October 31, 2021 creating X1 level geomagnetic storms that could have disrupted power grids, communication satellites and internet cabling as well as created aurora borealis seen across the US in states as low as Iowa and Nebraska. The impact actually turned out to be minimal but did increase volcanic activity on the planet.

X1(x-ray radiation) is the lowest strength CME in the X class CME's with X9 being the strongest but there are CME's on record going as high as X28 and before recordings, the largest event likely was the 1859 Carrington CME Event was estimated to be an X40-X50 which wiped out the telegraph system and auroras were seen as far south as the Caribbean. Lower level X flares can also be dangerous and cause supply chain interruption, power outages and electronics disruption depending on if it's directly facing the Earth and because both poles magnetic fields are currently in a weakened state. GOES X-ray Flux on the NOAA Space Weather website measures the solar activity and total magnetic field strength that will affect Earth with a **RED LINE**. An increase in severe weather, earthquakes and volcanic activity can also occur. The Cabal> Deep State> CIA/Mossad along with Communist China will continue to increase the CME's by using their container ship's nuclear missiles.

Human mental states are also affected by solar activity by up to 30% in healthy individuals. Studies have shown the increase is most prominent during the recovery phase of a geomagnetic storm. An increase in mental diseases will occur such as depression, anxiety, bi-polar mood swings as well as a suicide increase. These solar storms can cause circadian rhythms and melatonin production disruption which are normally regulated through the Pineal gland. These charged particles from the Sun will impact the consciousness of the people on the planet.)

C19 _stage 1: Inform POTUS [intel + CDC + WHO + S_advisor(s)] _nothing to fear
_do not close travel _do nothing [the political 'set up']

(Stage 1- The Cabal> Deep State> CIA/Mossad along with Communist China is using the Solar CME threat to keep President Trump from releasing any declass or disclosure. They will continue their Shadow Government to undermine President Trump using their video game chat logs to communicate their plans.

The Cabal> Deep State> CIA/Mossad led Centers for Disease Control and World Health Organization knowingly wanted to keep US travel abroad open when Covid-19's first case broke out in America on January 15, 2020. The Deep State even had Nancy Pelosi parade through China Town claiming everything was fine in order to set up President Trump once again and try and make him look bad. This would allow Covid-19 to run rampant with open travel but President Trump closed travel early on January 31 2020 and was called a fear mongering xenophobe for it by the mainstream media, but closing travel early helped to not spread Covid-19 quickly.)

C19 _stage 2: Inform POTUS of Dooms Day 'inaccurate' scenarios [models] predicting death count 1mm+ [the political 'force'] _lock down [wipe economic and unemployment gains]

(Stage 2- The Cabal> Deep State> CIA/Mossad along with Communist China will create Solar CME's to cause millions of deaths and wipe out economy and cause massive unemployment if President Trump does not comply. This intel was verified by XBOX/PlayStation Star Wars video game chat logs that Cabal>Deep State members used for planning false flag events and to discuss tactics against Trump Administration, sourced from 'closed' door transcripts.

Dr. Fauci and Dr Birx encouraged lockdowns and predicted dire scenarios and death counts for Covid-19 and the CIA/Mossad Media helped to push their message out which caused worldwide economic devastation, even though President Trump ignored most of their suggestions and created Operation Warp Speed to expedite treatments and vaccines which allowed him to open the country more quickly and avoid the Cabal> Deep State's plans for permanent lockdowns.)

C19 _stage 3: Activate 'controlled' [D] GOVS to 'spike' death count + project statewide fear by presenting 'alarming' on-ground conditions [hospital [care-supplies] projections].

(Stage 3- The Cabal> Deep State> CIA/Mossad along with Communist China will activate Solar CME's to maintain control, creating massive injuries and death counts due to alarming ground conditions with no power, government structure, no medical

care and no supplies. People will panic causing the stockpiling of food and necessities due to supply shortage fears causing price gouging and possible looting.

Patients in hospitals, nursing homes and the elderly will be most vulnerable in this situation just like they were with Covid-19. Multiple Deep State Governors like Gov. Cuomo of New York, forced nursing homes and assisted living facilities to accept Covid-19 patients which ended up causing thousands of unnecessary deaths, even though President Trump sent Military Hospitals to assist which were largely unused for Covid-19. They will attempt to establish more variants and virus waves. An overwhelming majority recover from this virus, it was all about the election.)

C19 _stage 4: Push testing, testing, testing to spike 'infected' rate incline due to daily testing inc [the political 'set up'] _controlled MSDNC failure to report death count [rates] proportional to 'infected' rate _deliberate miscounting of infected numbers [%] _change non_positive to positive _label death of non_C19 as C19 _etc.

(Stage 4- The Cabal> Deep State> CIA/Mossad along with Communist China will continue to push Solar CME's death threats and they will continue to use the video game chat logs to communicate and report their shadow attacks. They will continue testing President Trump, with their depleted uranium nuclear missiles and last resort Solar CME plan. They will use the Shadow Government/Presidency to counter anything President Trump does, just like the fake Russia election interference and spying set up.

They used Covid-19 excessive testing to over inflate the sick numbers with the CDC and had the CIA/Mossad Media reporting on it as well as over exaggerated death counts and labeling non Covid-19 deaths as actual Covid-19 deaths. Peter Daszak, Anthony Fauci, Ralph Baric and Zhengli-Li Shi all conspired to create, release and monetize Covid-19 as early as February 2016 using already patented vaccines with Bill and Melinda Gates funding them. They are using AstraZeneca, Johnson and Johnson, mRNA Moderna and mRNA Pfizer-BioNTech vaccines to cause injury and deaths to the population. The Vaccine Adverse Event Reporting System (VAERS) database contains all of the unverified information on vaccine injuries and deaths. As of September 3, 2021 there have been 14,701 deaths from the Covid-19 vaccines. The current average since July 24, 2021 when 11,405 deaths were reported, comes out to 3,296 or 70 deaths per day. A total of approximately 675,000 cases of vaccine injury have been reported to the database.)

C19 _stage 5: Eliminate / censor any opposing views [anti-narrative]

[Ready when needed] Activate 4-year BLM narrative 4x power [use as division + [2020] C19 infect rates to justify close-limit until Nov 3].

(Stage 5- The Cabal> Deep State> CIA/Mossad along with Communist China will activate Solar CME's using **Ballistic Long-range Missiles** to create a stronger X22 Class Earth facing CME flare if any additional attempts at declass, election cheating proof or any trafficking disclosure are made or if any attempts to use the Law of War guidelines against them. Covid-19 infection rates were used to justify stay at home mail in voting in the 2020 Presidential Election, which allowed them to cheat as we are seeing with the Maricopa county election audit but until it is fully exposed it will continue to cause division among the population. They will use George Soros funded Black Lives Matter in Democrat Safe Zones to keep America divided, with assaults, murder, riots, city takeovers, weakened police and race wars. The CIA/Mossad media will continue to their propaganda and information warfare campaign and portray them as peaceful protesters. The same tactics and playbook the Nazi's used in Germany that will cause the population to embrace extremism that solve their problems, but it will have the same result that it did in Germany.)

C19 calculated [D] political gain:

1. Eliminate record economic gains
2. Eliminate record unemployment gains

(1-2.The Cabal> Deep State> CIA/Mossad along with Communist China will use Solar CME's to choke the -economy and cause massive unemployment. Their agenda means to cripple communities and jobs as well as fundamentally change America with Socialism/Communism from within. They also plan to make the police stand down and put their Soros funded Antifa armies in their so called Democrat controlled "Safe Zones". Antifa has been designated a terrorist organization by the Department of Homeland Security DHS. Their intention is to pit the public against the Police, to keep America divided and fighting with each other instead of the real Cabal enemy who plans to install Globalism and a New World Order.. Dr. Fauci and Bill Gates purposely created Covid-19 and Vaccines for the Cabal to also weaken the world's economies and population, they want a Global economic depression.)

3. Shelter Biden from public appearances _limit public exposure of mental condition
4. Shelter Biden from Ukraine exposure _narrative change _media focus C19

5. Shelter Biden from P_debates [requested demands due to C19]

(3-5. The Cabal> Deep State> CIA/Mossad along with Communist China will use Solar CME threats and the continue to use mainstream media mind control to limit public exposure of their human trafficking exchange shelters like the one in the Ukraine. They also need to protect Biden and his son Hunter from their shady and corrupt business dealings with the Ukraine or China. They need to hide Biden's mental decline and any other scandals he is involved in.

Q3381 - Example: Joe Biden (Vice President of the United States) >Follow the Family Corruption in DC > How to Get Rich Are Liberals willfully blind or?

<https://www.washingtonexaminer.com/15b-contract-in-iraq-for-bidens-little-brother-exposes-obama-ahead-of-debate> Biden's brother \$1.5b contract in Iraq.

<https://nypost.com/2019/05/11/the-troubling-reason-why-biden-is-so-soft-on-china/> Biden's son \$1.5b deal w/ China. Coincidence? DRAIN THE SWAMP. Q

Wallenberg will not allow this information to come out and will demand CME be used. The Wall means more than you know! They also want a border collapse, by sending army caravans to the US Mexico Border via El Salvador, Honduras, Guatemala and Yemen. The caravans include MS-13, ISIS, terrorists, drug cartel members and traffickers, that come through the borders because of loopholes in lax immigration laws. They are used to carry out assault and assassinations which is also called 'wet work' for the Cabal>Deep State.

Q2395 - ...+MS13/ISIS reinforcements for 'wet work'...)

6. Delay [D] convention _strategic take-over of nominee post conf

7. Eliminate_delay POTUS rallies _term energy

8. Eliminate ability for people to gather _ divide

9. Eliminate ability to find peace – strength in time of need [strict Church closures]

(6-9.They will delay any disclosure posts or anyone confessing for the Deep State. They will continue to threaten to terminate President Trump and with elimination of the public and elimination of the public's faith in God via the energy of the CME. They will also continue to deplete and remove enthusiasm for any rallies President Trump holds or hide any smashed attendance records he always has.)

10. Promote mail-in-voting as only 'safe' method _bypass NSA election security [installed midterms +1].

(10. The NSA has been attempting to reveal voter fraud and also assisting with keeping the population safe by shielding the Earth from missile attacks. Termination of the NSA will occur if any additional election fraud exposure or public security continues.)

11. Push state-bailout stimulus [CA][NY] + wish list items

12. Increase national debt [place China into controlling debt position _regain leverage]

(11-12. The Cabal and Communist China control California and New York via installed assets noted above and will attempt to regain any lost leverage, or any loss of taxpayer funds disguised as humanitarian or climate aid.

Q3383 - US taxpayers are paying for it all. Paris accord = scam (trillions) Red Cross = scam (billions) Foreign Aid = scam (trillions) WAR = scam (trillions)on... and....on..... Who audits where the money actually goes? Who actually receives the money? The US taxpayer is funding the very people we are engaged in taking down. Slush funds everywhere. Think GS (George Soros) pays for Antifa out of his own pocket? The hole is deep. Feel sick yet? Q

<https://twitter.com/SaraCarterDC/status/1146175340433367040> Imagine what would happen, if, by law, every US Congressman/woman, US Senator, President etc. was by US law audited every 1-2 years by an independent agency. Imagine what would happen if those audits extended to all family members of such 'elected' official? Would D's continue to push for Foreign Aid to other C's vs. the Homeland? (funding will go towards the costs of Deep State missiles and Solar CMEs) What happens when the kickbacks dry up? M. Waters \$4mm House? N. Pelosi net worth \$150mm+? J. Biden son/brother net worth tens of millions? Clinton family \$200mm+ (pre election of BC less than \$1mm)? Obama family \$40mm+ (pre election less than \$1mm)? Disguised under book deals? Those who take are offered more powerful positions within the party (controlled). DRAIN THE SWAMP. Q TAXPAYER THEFT

13. Test conditional limits of public acceptance [obey]
14. Test conditional limits of public non_acceptance
15. Test conditional limits of State authority [Gov-mayor]
16. Test conditional limits of Media [social] censorship

(13-16. The Cabal is using the CIA/Mossad mainstream media and social media, they will continue to test the public until they obey and accept their political authority. They will assassinate whistleblowers like they did with Securedrop, if anyone speaks up, out or against them. Q4545- ...Their power and control relies heavily on an uneducated population. A population that trusts without individual thought. A population that obeys without challenge. A population that remains outside of free thought, and instead, remains isolated living in fear inside of the closed-loop echo chamber of the controlled mainstream media...

BLM and Antifa armies are also using social media like Twitter and Facebook to organize and mobilize. These social media sites and others like Google and YouTube, promote their insurrection. This assists them on weakening the police and continuing their race wars to keep people divided. BLM and Antifa are unlawful enemy combatants.)

Who benefits the most?

[D]?

China [CCP]?

Russia is the enemy.

China is our friend.

(The Cabal> Deep State along with Communist China will benefit the most)

[MSDNC [social media] programming]

All assets deployed.

Everything seen yesterday, today, and tomorrow = calculated political moves/events designed and launched by [D] party in coordination with other domestic and foreign entities in an attempt to regain power over you.

Prevent accountability.

SHADOW PRESIDENCY [HUSSEIN]

SHADOW GOVERNMENT

INFORMATION WARFARE

INSURGENCY

(The Cabal> Deep State> CIA/Mossad along with Communist China will use social media direct messaging or cell phones to program and launch depleted uranium nuclear missiles to try to regain power and they will also use mainstream/social media, information warfare and insurgency to maintain control over you via an Obama shadow government and presidency, thus avoiding any accountability. Using things like the fake and failed Russia Collusion hoax to mislead the people against President Trump.

Taxpayer funded Facebook/DARPA is an AI spying tool/app and is listening to everything you say and collecting essential metadata on everyone for the Cabal>Deep State, eventually consuming the entire internet into a metaverse along with other programs like Twitter, Google, Amazon and Microsoft. The CIA runs it for them and gets everyone to join and give all their personal information freely by making it cool and having celebrities make it popular. Use of “Fact Checkers” to support their own narrative at the same time allowing CIA/MOSSAD Mainstream Media the far-left news. Legitimate news about the 2020 election results/audits or Covid-19 is severely moderated. FB RETURNING TO THE NEWS

The information on everything mentioned above plus the CME will have to bypass the corrupt mainstream media to effectively stop the Cabal.)

Your voice and your vote matters.

Patriots stand united.

Welcome to the Revolution.
